Subject: Regarding implementation of NOC-SOC.

Reference: HQrs. Office letter no.IT-8060/WAN/012021/IT(NOC-SOC) dated:  
31.08.2021 and dated: 10.09.2021.

HQrs. Office has intimated that a NOC-SOC (Networking Operations Centre-Security Operations Centre) is being set up at CGDA HQrs with the purpose of monitoring of all Servers, Desktops, Laptops, Routers and Network Switches connected through DAD WAN and ensuring Cyber/Network/Hardware security in the offices or the department.

2. The NOC-SOC system will provide the following major solutions:
  - a. Network Access Control
  - b. Security Information and Event Management Solution
  - c. Network Management System
  - d. Patch Management
3. NOC-SOC related software required to be installed on each desktop/laptop and server in all offices and is available on cgdacircular.dad. It is requested to download the softwares from the portal and install on all the systems connected through DAD WAN connection.
4. The software to be installed in this regard are available on cgdacircular.dad for Windows 64-bit and 32-bit separately. User manuals for them is also available. Wherever the PCs are installed with Linux based operating systems, NOC-SOC software is separately provided for Linux based machines by HQrs. Office along with user manuals.
5. Report of installation of these softwares may please be forwarded to this office by 24.09.2021.
